

OCTOBER IS ENERGY AWARENESS MONTH!

Take the One-Week CHALLENGE

OCTOBER 24 - 30, 2022

FOR A CHANCE TO WIN A \$50 GAS CARD!

COMPLETE

one or more of these energy saving operational activities each day:

- Air vents were kept unblocked. Savings \$5.40/day
- Walk-in cooler and freezer doors were checked for frost build-up/leaks identified. Savings \$4/day/door
- Walk-in doors were kept closed when in use and when tasks were finished. Savings \$5/day
- Vending machine lights or breakroom lights were turned off. Savings \$2/day
- Appliances, such as heat-wrapping machines, shut off when not in use (especially at night). Savings \$3/day

RECORD

your activity each Day (Mon-Sun)

Scan code to confirm you've completed the energy-saving tasks.

WIN!

At the end of the challenge, one participating employee, from each participating store, will be selected at random to win a \$50 gas card!

Thank you to our sponsors for supporting Energy Awareness Month!

Ratio Institute is an independent, non-profit organization dedicated to accelerating measurable sustainability and viability in food retail through expert collaboration, industry resources, and practical tools.
